Bullseye!

Matador gets the horn – and loses 50% of his peepers!

STATING THE bloomin' obvious here but... Ooh, that's gotta hurt! Yes, that's a man's head. Yes, that's a bull's horn going into it and, yes, that *is* his eyeball bursting out!

This unfortunate chap is Juan Jose Padilla, coming out second best in a contest with a 107-stone bull, and having a horn driven in through the side of his head and out through the eye socket, taking its contents with it.

Padilla survived the horrendous goring, unlike his eye, but says he intends to fight bulls again, suggesting that his brain may have been affected along with his eyesight.

What happened next for Juan Jose

Well, first he stumbled from the ring, shouting, "I can't see!" which is reasonable. Then Padilla had a five-hour operation to implant titanium plates and mesh, leaving him paralysed down the left side of his face. The plucky chap, however, is keen to carry on, declaring from his hospital bed: "I will dress in the suit of lights once again!" The silly sod.

Nuts NEWS

It's *Big Brother's* new girl!

And Jem Palmer's topless! (Technically)

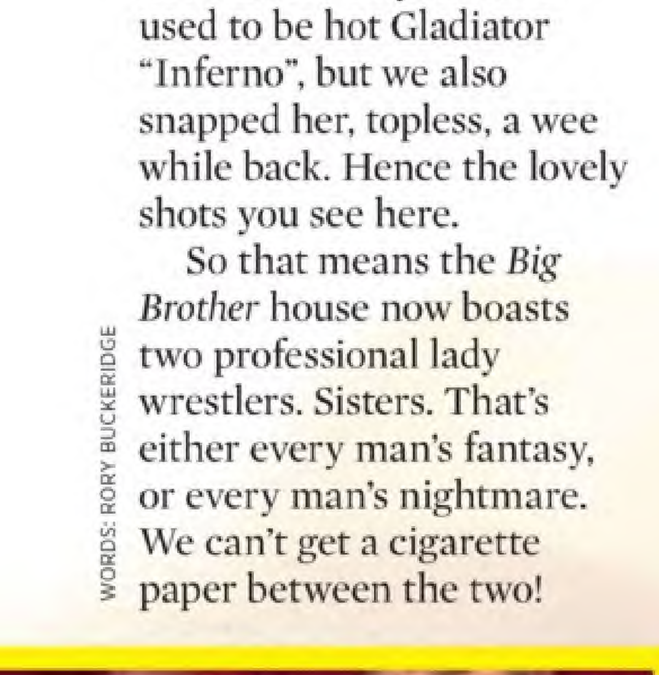

WITH SO many comings and goings, *Big Brother*'s front door has been hitting its frame more often than Ashley Cole's boudoir. And the latest lady to stride through its door (*Big Brother*'s, not Cole's, to clarify) is pro wrestler (and sister of current housemate Faye) Jem Palmer.

Which binged a little light bulb in *Nuts*' Swiss cheese brain. She looks familiar, we thought. And indeed, not only did Jem used to be hot Gladiator "Inferno", but we also snapped her, topless, a wee while back. Hence the lovely shots you see here.

So that means the *Big Brother* house now boasts two professional lady wrestlers. Sisters. That's either every man's fantasy, or every man's nightmare. We can't get a cigarette paper between the two!

BB Jem: the facts

- **Jem did two seasons on Sky's *Gladiators* as Inferno in 2008/9.**
- Jem studied media at college and has done various jobs including working on a sewage plant.
- **Jem says that people often fancy her because of her muscles.**
- Jem's addicted to exercise and says her "tight body" is down to a strict diet and fitness regime, which sees her eating egg whites and organic food and working out regularly with mixed martial arts.
- **Jem's very proud of her DD breasts. As are we, Jem. As are we.**

Top Gear hits India!

Christmas special heads east!

YES, WE had some snaps from this thing here last week. But we had loads more shots through of *Top Gear*'s excellent Indian jaunt pop into our inbox. So it would have been ruder than a French traffic warden not to do a follow up.

The *Top Gear* chaps are out in India, see, to film their Christmas special, and it's turning into a bit of an epic. Starting in Mumbai, they drove their classic British motors (a Rolls Royce, a Jaguar XJS coupé and a Mini Cooper) from Mumbai to New Delhi, via Jaipur and a rally in the Himalayas.

It's *Top Gear*'s version of the last days of the Raj. So expect loads of banter and un-PC humour. We'd expect nothing less.

Yes, he's upside down, in the darkness, just popping off flares!

BELGIUM'S SANICOLE Airshow has a sunset display for just this very flavour of showing off. Here, the Dutch pilot of an AH-64D Apache attack helicopter's not only doing a barrel roll (something very difficult to pull off in a helicopter) but also deploying his anti-air missile decoy flares. He's probably also patting his head and rubbing his tummy at the same time but, sadly, we can't see into the cockpit to verify.

- **These can pack a selection of Hellfire anti-tank missiles or Hydra rocket pods.**
- The Apache's coolest tech is the helmet-mounted display, which links the gunner's helmet to the chain gun, tracking his head movement and pointing where he looks.
- **Our British armed forces build them under licence and call them Westland Apaches, only they replace the piddly standard GE engines with more powerful Rolls-Royce ones.**
- They cost £35m a pop (the whole aircraft, not just the engine).

165mph Brit supercar!

Meet Yorkshire's Porsche Cayman beater!

- **Well done, Britain! Just when you thought it couldn't get better than the Lotus Evora S and the forthcoming Jaguar C-X16, along struts this looker from Leeds. Ginetta has been building race stuff since 1958 but hasn't made anything new for road use in years, which is where the G60 enters the fray.**

- It might sound ambitious pitching something made in Yorkshire up against a Porsche Cayman R, but the G60 doesn't just talk the talk. First, the numbers – it spits out 310bhp and weighs just a shade over a tonne (1,080kg), which means 292bhp per tonne compared to the Cayman's 255. You'll hit 62mph from a standstill in 4.9 seconds.

- **The featherweight G60 is an incredible slice of engineering, featuring a completely carbon-fibre bodyshell and tubular steel chassis.**

- Behind the pair of cockpit seats lives a mid-mounted Ford 3.7-litre V6. No fancy turbos or superchargers, just 310bhp and a fistful of torque for the six-speed manual box and rear axle to contend with. Nice.

- **Ginetta has side stepped a number of what they call "nanny aids", which means you won't find ABS, traction control or power steering. It's so light and nimble that it doesn't even feature servo-assisted brakes.**

- These days, a top speed of 165mph sounds positively mild but don't forget how light the G60 is. And Ginetta hasn't compromised on 21st century tech. Inside, you'll be greeted with satnav, climate control and Bluetooth, all controlled via a dash-mounted 7in touch screen.

- **Of course, you could ask one of the 70 staff to remove such luxuries but then it'd be harder to justify spending the required £68k on one – especially when a Cayman R or Lotus Evora S can be had for less than £60k.**

- With production limited to 50 cars per year, seeing a G60 on the road will be a rarity. But a bloody handsome one at that.

Ginetta G60 stats

- **Engine: 3.7-litre V6 injection.**
- Gearbox: Six-speed manual.
- **Power: 310bhp at 6,500rpm.**
- Torque: 288lb-ft at 4,500rpm.
- **Top speed: 165mph.**
- Weight: 1,080kg.
- **Economy: 31mpg (avg).**
- 0-62mph: 4.9 secs.
- **Price: £68k.**

EXCLUSIVE!

A quick word... with Ben Stiller!

Hollywood funny bloke on his new film, Eddie Murphy and Indiana Jones!

Hi Ben! Tell us about *Tower Heist*. Was it fun to work on?
Loads of fun! It's a comedy but more than that. It mixes action and comedy and, hopefully, becomes a cool heist movie.

Eddie Murphy also stars in the film. Did the pair of you muck about much on set?
Not really. Eddie's a pretty serious dude, but he's so good at what he does because he takes it seriously. He was successful when I was only, like, 18 or 19, so I've been a big fan of his for a long time.

Were you at all star-struck?
Not really, 'cos I'd met him before. I was in a coffee shop in LA two years ago. He tapped me on the shoulder and I'm like, "Huh? That's Eddie Murphy!" Then he grins and tells me he liked *Tropic Thunder* and I'm thinking, "Wow, awesome!"

So, do you out-funny Eddie?
C'mon, I could never out-funny Eddie Murphy! When you're working together, you just play off of each other and hope that the interplay pays off.

Was there much improvisation?
There was improvisation but, actually, I don't like to go in on a movie not having everything written and feeling good about it. You never want to go in feeling like, "Oh, we have to improv here." Too risky!

In the film, you plan to rob a wealthy banker. Ever been rinsed by an unscrupulous banker yourself?
No, but I know people who lost money [in the banking crisis] and I feel like everybody's been affected by it. For me, this movie taps into a frustration that a lot of people have with people who've taken advantage of others.

So, have you ever lost a load of cash yourself?
Oh yeah – in Vegas!

You've said before that you're not funny. Why are you so down on yourself?
Ha! What I mean is I just don't go around patting myself on the back saying, "Gee, I'm so funny!" I don't think anybody who's in comedy does that. Sometimes I look at something and it'll make me laugh, but you can't be going, "OK, now I'll be funny." It just doesn't work like that. I just think if the situation is funny and the writing is funny and the cast and director are good, then the humour will be there.

Where does your particular funniness come from?
My funniness? What are you – my therapist? Where does my funniness come from? I don't know. I think it's who you are. I think if you're able to laugh at yourself, that helps a lot.

What would you have done if you weren't an internationally acclaimed motion picture actor, producer and director?
I thought for a little bit about archeology. Seriously, I know it sounds silly but as a kid, I loved history. That's why I did the *Night At The Museum* movies, because I grew up going to the Museum of Natural History and looking at exhibits of Ancient Egypt and all that stuff!

Crikey, so you could've been the next Indiana Jones?
Well, I was never that committed to studying! Truth is, I loved movies more, so when I saw *Jaws* when I think I was about ten years old, that was it. I realised...

That you wanted to pester sharks for a living?
...that making movies is what I wanted to do!

Thanks for the chat, Ben. Finally, what's next for you?
Right now I'm working on a movie called *Neighborhood Watch*. It's got a great cast, with Vince Vaughn, Jonah Hill and Richard Ayoade from *The IT Crowd*. It's a comedy about aliens coming to the suburbs. Rosemarie DeWitt is playing my wife. She's great!

Who plays the alien?
Oh, the alien is just an alien!

- Tower Heist *is in cinemas on 4 November.*

Bonkers Ben Stiller facts!

- **Stiller is married to actress Christine Taylor. The pair have co-starred together in *Zoolander*, *Dodgeball* and *Tropic Thunder*.**
- He has written, starred in, directed and/or produced over 50 films, including *There's Something About Mary* and *Meet The Parents*.
- **He's a self-professed "Trekkie" and Red Hour Productions (Stiller's production company) is named after a '60s episode of *Star Trek*.**

JIM JEFFERIES GOES NUTS!

The world's most offensive comedian lets rip!

ONLY IN Nuts!

HE'S RUDE, RANTY AND RIOTOUS!

Jim's an award-winning comic from Australia. He likes swearing, and being angry.

"I'd love to be gay!"

A REPORT came out recently that said if you're the youngest son in a large family, you have more chance of being gay, 'cos the mum's testosterone levels decrease every time she has a child. Well, I'm the youngest of three and I'm not gay, even though I studied acting. But I'd love to be gay – imagine splitting a restaurant bill, or enjoying a conversation with your partner? That said, I could never f**k a man. I just couldn't bring myself to have sex with someone I respect.

"Sexy nuts!"

LAST WEEK, a lady in Surrey became the first person to suffer an allergic reaction to nuts through sex? Her fella ate some before they f**ked and she went into anaphylactic shock. When I eat nuts, I don't digest the f**kers. I know this because they come out whole in my sh*ts, which leads me to conclude that she must have been rimming the chap! Now, if this story is true, I'd like to do my bit to cheer this lady up. Madam if you're reading this, everyone here at *Nuts* (it's a magazine, please don't be afraid) would happily go on a date with you!

"Why get married, Paul?"

PAUL MCCARTNEY has remarried? Is it just me, or is he one of these dudes who just can't handle the thought of being single? Congratulations, Sir Paul, from everyone at *Nuts*, not just for getting married again, but for your latest wife being easily the hottest of the lot! She's a smashing-looking woman, is a billionaire and still has both her legs. But why get married at all, Paul? You're a rock star – shag around a bit, she won't mind. Everyone loves you! In fact, f**k it, I'd go down on Heather Mills just to get an idea of what you taste like! Anyway, like I said before, congratulations!

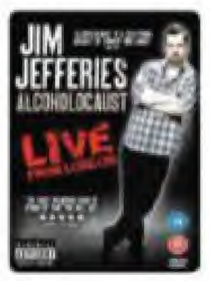

"Eamonn's got it right!"

I SEE Eamonn Holmes landed himself the sh*t last week. He was discussing a poll with fellow *This Morning* presenter Jonathan Wilkes that showed a third of Brits don't know where the UK's three largest cities are. Jonathan revealed he'd "be in with that third" and Eammon said, "What are you, retarded?" Loads of people phoned in to moan but c'mon, if a third of Brits don't know, what chance has a retarded Brit got? Maybe the rest of us shouldn't bandy the word about but in their community, it's acceptable for Eamonn and Jonathan to call each other retards. It's like when it's OK for black dudes call each other the N-word but it's strictly off limits for us white guys.

"Optimists are idiots!"

IT SEEMS being an optimist is determined by your brain type. I hate optimists – they're f**king idiots. The only happy people I've met are people who work in Argos. If the world doesn't bother you, you're a dumb c**t who doesn't watch the news, and if you're a glass-half-full type, you're just too lazy to fill the f**king glass up.

SEX ADVICE FROM A FIT LESBIAN!

NEW TO Nuts!

Because she knows what she's doing and we don't!

DANNI ORSI, 100% REAL LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

What do you do with boobs?

Boobs really freak me out. I just don't know what to do with them! Don't get me wrong, I like them but I'm not sure how to handle them in the heat of the moment. Any suggestions?

BILL via email

Any sort of handling is fine, as long as it's gentle. It also depends on the position. For example, in the missionary position, her breasts will be crushed under your chest. But if you're on your back with her astride you, you have ample opportunity to caress, nip, lick and suck. Similarly, if you're behind, the logistics for breast attention are good.

I don't care about sex!

I'll be perfectly honest, I'm just not bothered about sex in general. If I never had it again I really don't think I'd care at all. The thing is, my missus is a bit offended by my lack of interest and reckons there must be something wrong with me. Is she right? And if so what should I do to enhance my libido?

NEV Colchester

I'm not surprised she's offended! I've never met you or your lady but I'm 90 per cent convinced that there's something wrong with you and 10 per cent convinced the problem might be that you don't fancy your missus!

LETTER OF THE WEEK!

Should I get it pierced?

I'm thinking about getting my penis pierced because I've heard it enhances sex. I just wondered what women felt about genital piercing in general. Is it cool or a no-go?

VIC Macclesfield

Just think what would happen if you got an infection after the piercing! I'd advise against it. And unless it's very expertly done, the [pulls her glasses off her face and sounds all doctor-like] "protuberance" may not be correctly positioned for your young lady. I know quite a few ladies with piercings and they've all ended up taking it out as the clitoris becomes too sensitive.

I think I've got an STI!

While on holiday, I cheated on my girlfriend with some girl I met on a night out and now I'm worried I've got an STI. I'm too embarrassed to go to the doc and I don't want to confess all to my missus because she'll freak out. What should I do?

BEN St Ives

You silly chap! What on earth were you thinking, man? Get down to the clinic and get yourself checked out! Hard for me to say what could be wrong with you without knowing the symptoms. Oh, and by the way, you deserve a slap.

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual *Nuts* address on p72.

Bubbling black stuff leads to bad-ass blisters and burns!

IT MAY look like a warped waxwork, but this mangled mitt belongs to *Nuts* reader Shaun Hendry-McDonald, the victim of a tar mishap!

The 21-year-old from Kinlochbervie tells *Nuts*, "I'm a joiner by trade but was on a job tarring a roof. Unfortunately, when I came to pour some of the boiling tar out, my hand slipped and it filled my glove!"

"The pain was incredible, worse than anything I've ever felt!" recalls Shaun, whose hand had swollen to twice its normal size as a result of the 220°C tar that had covered it.

Thankfully, the recovery process has been less dramatic. "By the time I got to hospital, the tar had set, making it easy to peel off," he adds. "The scars were horrific, but my fingers were saved! I was back to work a few weeks later, although I wasn't quick to volunteer for the tar-pouring bit!"

We'll think twice about complaining next time we're stuck with our work!

JOKE OF THE WEEK!

Pervy practitioner

A DEAF bloke goes to see her doctor with a chest infection. The doc asks him to lift his top up so he can try to get to the root of the problem.
"Nice, big breaths," he says.
"How dare you!" replies the startled patient. "I may have put on a little weight recently, but I wouldn't say I had moobs!"

Goon fishin'

TWO ARSENAL fans are fishing on a river bank on a Saturday afternoon, miles away from radio or TV.
Suddenly, one man turns to the other and says, "The Gunners have lost again!"
The other man is flabbergasted and asks, "How in the name of god do you know that?"
The other man replies "It's ten to five!"

Mourning kick-off

A MAN has expensive tickets to the FA Cup final. Moments after he's taken his seat, a man asks if anyone is sitting in the seat next to him.
"No," says the man. "The seat's empty."
"This is incredible!" says the bloke. "Who in their right mind would have a seat like this for the FA Cup final and not use it?"
The lone bloke says, "Well, actually, the seat belongs to me. I was supposed to come with my wife but she passed away. This is the first FA Cup final we haven't been to together since we got married in 1967."
"Oh, I'm sorry to hear that. That's terrible," says the concerned fan. "But couldn't you find someone else – a friend or relative, or even a neighbour – to take the seat?"
The man shakes his head. "No. They're all at the funeral!"

Toilet trouble

A DRUNK gets up from a bar and heads for the toilet. A few minutes later, a loud scream is heard coming from the cubicle.

A few minutes after that, another loud scream reverberates through the bar. With that, the barmaid goes into the bathroom to investigate.

"What's going on in there?" the barmaid yells. "You're scaring the hell out of all the other drinkers!"

"I'm just sitting here on the toilet," slurs the drunk, "and every time I try to flush, something comes up and squeezes the hell out of my balls!"

The barmaid opens the door, looks in, and says, "You idiot! You're sitting on the mop bucket!"

RIZZLE KICKS Vs the *Nuts* Question Bucket!

Sell:

The chart-topping rap duo on frogs, freebies and Rosie Jones!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

When was the last time you were sick in the street?
Harley: Years ago. I'm quite good with my alcohol now. I know exactly when to stop.
Jordan: Mine was last day of school. Five times, consecutively, in a straight line. It was sick!

If you had to fight a bear, a crocodile and snake in a day, in what order would you fight them and how would you defeat them?
Jordan: I'd fight the snake first, smash him up, grab the head and snap its neck. Then I'd sneak up behind the bear with the dead snake and strangle him up. Then I'd use the dead bear as a human shield, prod the crocodile with a stick and when it comes up to bite the bear, stomp on its head. Job done.

Why are frogs so weird?
Jordan: 'Cos they like Budweiser.
Harley: Maybe frogs have been treated so badly their whole life because they look so disgusting, and they thought, "Might as well make the most of it" and act really weird at the same time.
Jordan: Have you seen those frogs that have two layers of eyes? They have another pair of eyes painted on their eyelids as a defence mechanism. It's f**king freaky!

What's the best thing you've got since being famous?
Jordan: A blow job! Only joking. Please don't put that in. Probably tailored Armani trousers. I felt like a right Don!

What was the last thing you stole?
Harley: Some chick's heart.
Jordan: I knew you were going to say that!

What will you have written on your gravestone?
Jordan: You'll have, "Well lazy – resting, as usual."
Harley: "Cotching, as usual."

What did you want to be when you grew up?
Jordan: [Starts singing *When I Was A Youngster* by Rizzle Kicks.] "I wanted to be a fireman, and then I lost the desire, man, the second I got old enough to buy myself a cider can."

Have you been propositioned by a friend's mum?
Jordan: No, but I really wish I had!

Does your mum think you should get a proper job?
Harley: When I went to Brit school, she didn't want me to go to Brit school. I won't get too deep now. Now I think she's pretty happy.

Would you rather have a paper cut on your penis or your tongue stapled to a table?
Harley: I think it might have to be a paper cut.
Jordan: A paper cut. I'd take one for the team.

If you could be stranded on a desert island with one other person, who would you choose?
Jordan: Rosie Jones! We met her at a party.
Harley: I've seen Rosie Jones in *Nuts* and always thought, "She's so hot, man." When I met her, I just froze!

Ever slept with a fan?
Jordan: Hell, yeah!

Could you beat a dog in a race?
Harley: It depends what breed. I couldn't beat a greyhound. My mate's got a lurcher. It's f**king quick. I could probably beat a sausage dog.
Jordan: Sausage dogs are pr*cks, bro.

SEXIEST BRUNETTES!

SOPHIE HOWARD PRESENTS...

101 Sexiest Brunettes!

Nuts invites you to come over to the dark side!

StoreMags.com

FloralKage.com

Hi Sophie! Thanks for presenting our 101 Sexiest Brunettes! Who are your favourites?
There are a lot of reality TV shows with hot brunette girls. *Geordie Shore has* a lot of hot brunette girls. Snooki from *Jersey Shore*'s a right fittie, too!

What makes brunettes so hot?
Blonde girls think because they're blonde they're automatically sexy, while girls with darker hair are more feisty. Also, we're often curvier and have way better boobs!

Harsh words! Would you ever go over to the lighter side?
Um, well I've tried in the past – I dyed my hair when I was at school but it just left my roots dark and the front white.

What hair colour do you prefer a bloke to have?
I always go for dark-haired lads – I don't think I've ever been with a blond! But I've got a bit of a thing for gingers.

Really? Which redheads get you all hot and bothered, then?
The one out of *Harry Potter*'s fit – I'd do Ron Weasley! But he'd have to wear the uniform.

Have you ever seduced a bloke on a first date?
If I fancy somebody, I tend to just sleep with them on the first date anyway. What's the point in holding off?

What are the signs we'd need to look out for on a date to work out if we'd pulled?
She'll be sending out the signals – touching you, lingering eye contact, fiddling with her hair. Play hard to get if you think she likes you – she'll jump on you next time!

Thanks, Sophie! Finally, do you own a pair of lucky pants?
No, if I think I'm going to pull I don't wear any. I once pulled in some but getting them off wasn't sexy, so I don't bother!

The Walking Dead

FX/HD • 10pm

The zombie drama returns and if the first episode is anything to go by, it's bloodier and scarier than before! We follow the survivors as they try to flee Atalanta with hordes of the undead on their tail. The motorway scene needs to be seen to be believed!

Liverpool vs Norwich

ESPN/HD • 4.30pm

Normally, we'd say Liverpool can't mess this one up, but we're reluctant to make any bold predictions with the weird old season they're experiencing. Paul Lambert's men certainly gave Man United a run for their money recently. This could be interesting.

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

The impressive second series of the Prohibition-era drama continues with the Commodore using his Coast Guard connections to scupper Atlantic City's liquor shipments, and tempers fraying at Babette's Supper Club. See? Ban booze, expect chaos!

The Hurt Locker

CHANNEL 4/HD • 9pm

Oscar-laden war drama starring Jeremy Renner as a US Army sergeant who takes over the running of a bomb disposal team as the Iraq war draws to its conclusion. His colleagues are mainly concerned with getting home in one piece, but his unorthodox approach seems doomed to end up with them blown to bits.

Man United vs Man City

Rugby World Cup Final

ITV1/HD • 8.30am

It's the final at Eden Park in Auckland. England may have grabbed the headlines by deciding to prioritise dwarf-tossing over egg-chucking before their exit, but there's been some memorable action on the pitch, too. Let's hope for a fitting end here!

The Fades

BBC3 • 9pm

It's the final part of this dark, supernatural drama about Paul, a 17-year-old who can see Fades – spirits of the dead who've not passed over to the other side. There's one evil Fade in particular who's been causing bother, though, threatening to take down humanity, that kind of thing. Can Paul save the day?

★★★★

Frozen Planet

BBC1/HD • 9pm

For the most part, the BBC's a source of embarrassment, grinding out formulaic clunkers and expecting us to like them. But they still rule when it comes to nature docus, a fact borne out by this series, which allows us (and David Attenborough) to drink in the frightening majesty of the polar regions without getting too cold.

Fresh Meat

CHANNEL 4/HD • 10pm

The first series of the chucklesome freshers comedy continues to rattle on apace with JP finding out his dad's ill and dealing with it by taking his first acid trip, Vod going one further and ODing, Oregon revealing she's not called Oregon at all, and Dave proposing to Josie. Breathless stuff, and very cringey and amusing too.

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent *Nuts Games* winner bagged himself £229, 776!

How to play

- **The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.**
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.**

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

Sign up and deposit to get up to £200 free play!* Enter promo code NUTSC42 at www.nutsgames.co.uk

*200% DEPOSIT BONUS UP TO £200 FOR NEW CASH MEMBERS ONLY. MINIMUM £10 DEPOSIT REQUIRED – EG DEPOSIT £100 AND WE'LL GIVE YOU AN EXTRA £200 FREE PLAY ON TOP. The life of a poker pro!

Scott's column this week: the European Poker Tour London!

FROM CUSTOMER Services Executive to professional poker player, Scott Shelley fills us in on his life as a professional poker player...

Scott speaks:

"It was the London leg of the European Poker Tour recently. The main event was a £5k buy-in, and with just under 700 players, the first prize was a whopping £750k! I couldn't wait because it was my second-biggest event ever. After a slow start, I got into gear and made it into the money, but on the last day, my play let me down and I busted out in 55th place, taking home £11k.

"During the tournament, loads of UK and international poker players flocked to London, providing a great chance to catch up with mates, some of whom I'd not seen since Las Vegas.

"When not playing cards, we spent the week drinking and eating. I even discovered a new steak place! I have a bit of a thing about good steaks but I've yet to find anywhere that matches up to the places in Vegas. However, the JW Steakhouse at the Grosvenor runs them close.

"Coming up, the Reigate Masters £250 tournament I won a few months back is running again, but more important than that, the World Series of Poker Europe got under way earlier this month and I'm the reigning champ in the £1K side event (which is now €1K as it's moved to Cannes). It's that tournament win that put me where I am today, so of course it means a lot to be back there this year! Check back to see how it's been going.

"I'll be talking about what life's like as a pro poker player over at **Nuts.co.uk/poker**. Be lucky, chaps!"

GREAT SCOTT!

Last year, Scott turned £100 into a massive £133k win at the World Series of Poker Europe!

CONFESSION OF THE WEEK!

'We ran behind the trees'

I'VE BEEN dating a really hunky guy, but we both still live with our parents. When he came to mine one afternoon, my mum suggested we went for a walk. While we were walking along, he squeezed my bum and before we knew it, we were touching and stroking other body parts, too! He ran behind the trees and when I caught him, he put his hand up my skirt and fingered me. I was soaking wet with excitement! We then gave each other sensational oral. When we got home, my mum asked if we'd had a nice time. Little did she know!

Hayley Lowestoft

'A couple watched us'

ONE EVENING, my boyfriend and I were on a date at a restaurant near the shop where I work. Wine was flowing and the more tipsy I got, the more horny I became. I slid my hand up his thigh and began to rub his penis through his jeans. Feeling his erection growing harder and harder, I whispered in his ear, "I have the keys to the shop and no knickers on!" Then I got up and walked out of the restaurant. He quickly followed me and as soon as we entered the shop, I threw him against the counter. Pulling his pants down, I got down on my knees then slowly teased his tip with my tongue before taking his whole length in my mouth and making him moan. I stopped before he came and bent over the counter, which was right in front of the shop window. He took me hard and fast and it wasn't long before we both came together – and then noticed a couple watching us, amazed, from outside!

Gina via email

'We gave them a good show'

ME AND my man are always up for interesting sex. I'm just so horny that sometimes I just can't wait to get my end away, and he loves the way I'll suck him off on demand. One night, we stopped at a local takeaway on the way home from a night out. One second, he was playing footsie with me at the counter as we ordered, the next, I was sitting on his face around the back of the shop by the dustbins. There was a bit of chilli sauce still on his fingers, which made my bits tingle and go warm. It was only afterwards that we noticed the CCTV and could see the back door to the kitchen wide open with people walking past. We'd probably given the staff quite a show – a finger-lickin' good show!

Mel London

'He gave me a good ride'

MY BOYFRIEND'S really into cycling and one sunny day this summer, I let him persuade me to go out for a long ride. After we'd been riding through the quiet country lanes for about an hour, I needed a rest so we ducked into a field. We flattened a patch of long grass and lay down to soak up the sun. The heat was making me feel really horny so I slipped my hand in his trousers to stroke his balls. Soon, he was lying on top of me, pressing his erection between my legs. I moved my knickers aside and he slipped right inside me. Using one hand to play with my clit and the other to steady himself, he thrusted quickly until we reached a noisy climax. Next time he suggests a bike ride, I won't need so much convincing!

10 RUDE QUESTIONS!

And a real girl to answer them!

Chantal

22 Swansea

1 Where's the strangest place you've had sex?
"It was while I was stuck in a motorway traffic jam! Also, we happened to be in the back of an *A-Team* van at the time. Now that's one way to cause a pile-up!"

2 What's your trademark move in the bedroom?
"I really love to dress up every time and make sure my man's happy first and foremost. Dressing up's a good way of guaranteeing it!"

3 What turns you on?
"I'm a big fan of foreplay in all forms. It's amazing and can actually be better than sex quite a lot of the time!"

4 What's your favourite position?
"I'm a simple girl! Missionary's always a great position, but I really enjoy being on top and taking control a lot of the time as well!"

5 Is it better to give or receive?
"It's definitely better to give – I get much greater pleasure knowing that my man's satisfied!"

6 What one rude thing would you really like to try but haven't yet?
"I'm fascinated by bondage! It's all about the sexy outfits, isn't it?"

7 Ever got it on with another girl?
"Hell yeah! I can't think of anything that turns a man on more than that! Plus, I had lots of fun doing it! I'd never get it on with a good friend, though. She'd have to be someone I wouldn't see every day!"

8 What's your favourite role-playing outfit?
"My favorite costume would have to be my birthday suit, but I always like to make an effort and wear whatever my man wants me to. My thigh-high boots always go down a treat!"

9 Have you ever made a sex tape?
"No. Not yet!"

10 What's the rudest thing you've done?
"That's a hard one! I once went out with no underwear on, and me and my man had sex in as many public places as we could get away with! That was a long day – really enjoyable though!"

"Oh, no – Balotelli's flinging darts at the kids again!"

Hargreaves: 'Bring it on!'

HE'S BACK!

City man on the comeback trail ahead of Manchester derby!

Hi Owen! How's life at Man City?
I'm having a great time. It's obviously fantastic to be back playing but to be at a club with such high ambitions is special.

Did you consider joining a club where it'd be easier to get first-team football?
Not at all. I had quite a few enquiries but once Man City showed an interest, I was all ears. I want to be in the same environment as the very best. I've always had faith in my ability even in the darkest days of my knee injuries.

But can you become a regular?
I think so. I won't walk into the team and that's OK, but I wouldn't have come here if I didn't think I could do a job. I like a challenge, so bring it on!

Was it tough mentally to keep going while you were injured?
There were periods where I thought, "Is my body ever going to behave normally again?" I'd watch team-mates and feel really jealous, not just because they were playing in big games, but also because of how they could move. I felt my body was betraying me.

Do you have any bad feelings towards Man United?
No, United are a great club. It wasn't in anyone's plan for me to miss three years of football. But it's the end of a sh*t chapter and now it's time for something positive.

A lot was made of you putting videos of yourself training by yourself on YouTube.
It was no big deal. It was the best way for me to let clubs know that I was in shape.

And a tough so-and-so, we gather. Is it down to leaving Canada as a kid to join Bayern?
I had to be tough as I was in a strange country, leaving my family and friends behind, to play for a club like Bayern. It was a learning curve.

So what's next?
Just to get playing football matches. Already I feel great, the staff here have been magnificent, and every day I'm getting stronger.

Does proving the doubters wrong motivate you?
Not really. My motivation comes from within. There have been times in my career when I've been written off, but I proved I was a good footballer.

Thanks, Owen! Finally, can we expect to see you back in an England shirt?
That's a long way off, but I want to get back to the level I was at before the injuries. I still think some of my best days are ahead of me.

REPAYING THE FAITH!

Hargreaves signed for City in August and scored on his debut, against Birmingham.

Nani: 'We're the biggest in Manchester!'

United winger on City, Ronaldo and winning!

Hi Nani! So which is the biggest club in Manchester?
Ha-ha! United, of course! Seriously, it's fantastic for the city to have two big clubs fighting for the title. They have so many good players there and I'm happy for their fans. But I believe we're even better than last season, and that was when we became champions.

How can you exceed last season's achievements?
By winning more trophies. The Champions League, in particular, will be an exciting journey for us.

You've become something of a fans' favourite, and that wasn't always the case!
It's natural for a young footballer to take time before showing their worth. There's so much to learn in the Premier League, so it's inevitable your form will be good one moment and not so good the next. The key is to bring consistency into your game. I think last season was my best yet for United and hopefully this season will be even better.

How does it feel to be one of the more experienced players in the squad now?
I like it. The responsibility fits me perfectly. I've matured as a person and think this has shown in my performances. There are fewer ups and downs in what I do and if I have a bad game, that's fine, it happens. I know if I keep positive, a good game's around the corner.

What would you consider to be a good season for United?
As I say, keeping our position as champions is important but I believe we can be champions of Europe, too. All the cup competitions in England are also within our reach.

And for you personally?
I want to build towards the goal of being the best player in the world. I have to believe this is possible. And I want to keep performing so that when I finish, people at United will remember me as a positive influence in the history of the club.

Could you become the new Cristiano Ronaldo?
I love and respect Cristiano – he's a player of incredible quality and I'm honoured to be talked about in the same category – but we're separate individuals. When my career's over I want them to talk about Nani and what he achieved, not how similar he is to another man. It would be great if they remembered me as someone who entertained and gave everything for the team. I hope I'm on the right track in this ambition.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Ha-ha! Prawn sandwich brigade! That's a good one!"

Money should be shared!

LIVERPOOL'S MANAGING director Ian Ayre has made some awful comments about the share of Premier League TV money from abroad.

The cash from foreign television deals should always be shared equally among the clubs. Just look at the agreements in places like Spain, where Barcelona and Real Madrid receive the lion's share of the wonga. It just makes it even more unfair for all the other clubs!

Liverpool are in the same bracket of teams. They make so much cash commercially, surely that's enough?

Every club's important to the Premier League and makes the competition what it is. It's just plain greedy!

Rooney must go to Euro 2012!

Capello needs his star man next summer!

THERE'S NO doubt Wayne Rooney's three-match ban is a massive blow to England, but Fabio Capello must still take him to Euro 2012.

People are saying the suspension's harsh, but the punishment would be the same in the Premier League. What I don't understand is why Uefa don't let everyone begin with a clean slate once the qualifiers are over. Players with yellow cards get to start all over again, so why not be more lenient with those who've had a red?

Uefa are shooting themselves in the foot – it's in their best interests to have the best players on show. It is, however, good news for the likes of Danny Welbeck and Daniel Sturridge – two players with great potential. Just look at what happened to Geoff Hurst in 1966 – he scored a hat-trick in the final, despite starting the World Cup as England's third choice striker!

It's tough to predict, but England without Rooney are nowhere near as strong. I wonder if Carles Puyol's heard of Darren Bent?

THE BIG MATCH!

"And now for my party piece! Damn – messed it up again"

Arsenal vs Stoke

23 OCT, 1.30PM

This is going to be a really tough match for Arsene Wenger's men. They've started the season badly and always struggle against the more physical teams. Tony Pulis' side will cause the Gunners all sorts of problems from set pieces. I can well see an upset at the Emirates!

KAMMY'S PREDICTION: 1-2

Key man

Peter Crouch will be key to Stoke's success. He always does well against Arsenal and he'll be keen to stick the knife into Wenger's strugglers!

Irish eyes are smiling!

IT'S GREAT to see the Republic of Ireland get a decent draw for the Euro 2012 play-offs. I'm not surprised though, especially after what happened with France before the World Cup! It'll be great for the tournament if Giovanni Trapattoni's boys in green make it to the finals in Poland and Ukraine. They always bring fantastic entertainment to the big stage and their fans are just amazing!

It was a gentle start to his weightlifting career

I love loopy Di Canio!

PAOLO DI Canio's been at it again! The Italian lost his bearings in a fun run and ended up completing a half marathon, and in just 1hr 49 mins! He's fantastic value and it's great to see him managing Swindon.

Ants stretch when they wake up.

Texas has abolished the right of a **condemned man** to a final meal after a murderer requested two chicken steaks, a triple-meat bacon cheeseburger, a pound of barbecued pork, three fajitas, a pizza, a pint of ice cream and peanut butter fudge, and then told officials he wasn't hungry.

A collector of **beer bottles** is called a labeorphilist. However, if they collect any other kind of bottle the name no longer applies.

Walkers' steak & onion flavour crisps are suitable for vegans, but their salt & vinegar crisps aren't.

- **Peanuts are not actually nuts, they're legumes.**
- The word "pecan" comes from a Native American word meaning "a tough nut to crack".
